

CNVEP is pleased to announce our new

Professional Training

In Home Child Care Provider

Quality care is essential for children's optimal growth! Attuned and responsive caregivers promote children's cognitive and emotional development, natural curiosity, and shape the architecture of the child's brain.

CNVEP is pleased to announce our new Provider Training for Nannies, Babysitters, and any other In Home Child Care Providers! Register now to help children thrive, build their confidence to explore the world, and develop their emotional intelligence!!
